## LAST DAY OF PUBLIC SWIMMING AT AQUATICS CENTER FEATURES WATER SAFETY EVENT

**Glendale, Ariz.** — Free CPR demonstrations, free mini swim lessons, water safety details along with swimming will be available at “Verano Sano,” a free water safety and pool event, on Saturday, Aug. 4, the last day of recreation swim at Glendale’s aquatic centers.

Glendale Parks, Recreation & Library Services and the Glendale Fire departments have teamed up with Radio La Campesina, the Caesar Chavez Foundation and SRP for the event, which takes place from 5 to 7 p.m. at the Rose Lane Aquatics Center, 5003 W. Marlette.

Verano Sano, Spanish for “safe summer,” is a grass roots effort on water safety focusing messages to the Hispanic community, but the event is open to everyone. A La Campesina DJ will be playing music throughout the event, and attendees can enter to win contests and gather additional service information from city department booths and community group booths, some with giveaways.

The Verano Sano events have also been held at Phoenix and Mesa pools this summer to spread the word on water safety.
